CORNER MAIN AND BANK STREETS

## Notice

For forty-seven years we have been conducting business at the same old location, corner of Main and Bank Streets, Bridgeport, Conn., and our Private Bank has been established there continuously. We have received and paid out on demand without notice millions of dollars of money deposited with us and we continue to receive money subject to depositors' check at sight, on which we allow three per cent. per annum, credited to each account monthly. We solicit the accounts of individuals, business men, firms and corporations, and all who want a bank account where they can deposit money, checks or drafts, and leave it for one day, one week, one month or one year, and draw interest on it for any time it is left with us. We give to the business our careful personal attention as the oldest firm of private bankers in this state.

## B. H. S. NOTES.

Raymond Levery, '15, motored to  
Darlen Saturday where he attended  
the carnival given by the Village Im-  
provement association in the evening.

The attendance at the basketball  
game Saturday was fairly good, the  
girls being in the majority. Beginning  
next Saturday the out of town teams  
will be brought here and it will be  
necessary for the student body to pa-  
tronize the games in larger number in  
order that the A. A. may be kept out  
of debt.

The members of the Fraction club  
wish to deny the report that they are  
to give a dance during the coming  
week. They have as yet made no  
plans for holding a dance.

It will be interesting to those who  
have played on B. H. S. football or  
basketball teams during the past four  
years to know that "Walt" Madigan,  
the Stamford High school athlete, has  
received the appointment to West  
Point. On the court and on the grid-  
iron he has often spoiled the red and  
blacks' chance for victory by some  
spectacular play. We wish him the  
best of luck and hope that he will  
make good on both the eleven and the  
quintet.

Although lately Joseph H. Worden,  
Jr., '16, has been bedecked with many  
rings he denies the rumor that he has  
accepted the local representation of a  
New York jewelry novelty company.

Miss Ethel Cooney, '13C, has returned  
to her home on Mountain Grove street  
after spending the past two weeks as  
the guest of relatives in Cortland, N.  
Y.

Manager Corcoran of the basketball  
team has finally succeeded in securing  
the five from the Stamford Prepara-  
tory school as opponents for the B. H.  
S. quintet on January 17. When the  
football team played in Stamford dur-  
ing the past season the local fellows  
were royally treated by the Stamford-  
ites and it now looks as though we  
will reciprocate and give them a good  
time when their basketball team comes  
to the Park City.

Selden Tracy, '15, laboratory assist-  
ant of Mr. Ricker and also school elec-  
trician, is now the local agent of a  
novelty company of New York dealing  
in electrical novelties.

An independent basketball team is  
being formed at school. "Cale" Gregory  
is acting as organizer for the  
quintet. The other members so far se-  
cured are Robert Hurley, Edward  
Lynch and Harry Denny.

The basketball team will journey on  
New Year's to Springfield instead of  
Naukeag as previously announced.

PURSE OF GOLD FOR  
REV. H. G. WEIMER

The fifth anniversary of the pasto-  
rship of Rev. Herman G. Wiemer was  
fittingly celebrated yesterday at the  
German Reformed church in this city.  
With almost every member of the con-  
gregation present in the body of the  
church which had been profusely de-  
corated with palms and potted plants,  
Leo Schmidt presented the pastor with  
a purse of gold and for the younger  
members a similar present was ten-  
dered by Miss Emt. Dr. Wiemer was  
much moved at the pleasant surprise  
and responded with deep gratitude.

SILVER LOVING CUP  
FOR GOLFER GOODSELL

Closing the golfing season at the  
Brooklawn club, sixty two members  
attended a dinner there on Saturday  
night which ended in a complete sur-  
prise of Zalmom Goodsell, who, in  
recognition of what he had done for  
the sport in Bridgeport was presented  
with a handsome gold-lined silver lov-  
ing cup. The dinner lasted from  
o'clock until after the midnight hour  
and many interesting speeches were  
made.

MILITARY TRIAL IN  
ZABERN DISTERBER

Berlin, Dec. 8—Lieutenant Baron von  
Forstner, according to the report  
reaching here, is to be tried by court  
martial for wounding a lame shoe-  
maker on December 1, at Zabern, Al-  
sace, during street disturbances. It  
was Lieutenant von Forstner who  
started the trouble between the troops  
and civilians at Zabern, by making  
scornful references to the citizens  
when he addressed the recruits of his  
company some time previously.

## SIXTEEN MINERS DIE

Ryndik, Prussia, Dec. 8—Sixteen min-  
ers were killed last night by smoke  
from a fire which started suddenly in  
a mine. The fire has been extin-  
guished.

## RED CROSS SUNDAY.

In various pulpits throughout this  
city yesterday an appeal was made  
to use Red Cross Christmas stamps  
upon mail and other holiday matter.  
This work which is being carried on  
by the American Red Cross society  
is in direct charge of the Visiting  
Nurses' association of this city who  
will also benefit by liberality of the  
public. Financial returns are to be  
used in the great campaign being wa-  
ged to stamp out tuberculosis in this  
country.

## DIAMONDS

True facts regarding Buechler's fine  
diamonds. Despite their fine, pure  
color and high art cutting, despite the  
generally advanced prices of di-  
amonds, these Buechler diamonds are  
inexpensive because we buy only from  
importers and cutters, and mount  
them to suit customers. In a su-  
perb showing of diamonds, watches,  
jewelry, cut glass, silverware and  
sterling silver toilet articles, it is well  
to remember that we are as rigid in  
the engagement of standard qualities,  
in the maintenance of these goods as  
reasonable prices for which our store is  
well known.

The Christmas bride should insist  
on being wed with a Buechler's Luck  
wedding ring.
